

Majmu Syarif Mariana Yasni

Past Present Future – PPF

By MGY

Can't we look at what Allah makes us see?

We can even hope that Allah makes us foresee ...

From what passed by until herenow ...

We will let Allah Ta'ala decide our future ...

As He decided on our past ...

And let us be in the present ...

Allaahummaj'al khayraa ayyaamina huwa yauma nalqaaka.

Ameen.

The Hidden Letters Of MYZY

Complete Continuous Love Letters Of MYZY: [Click Here](#)

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud. The text outlines the various methods used to collect and analyze data, including the use of computerized systems and manual audits. It also discusses the challenges of data collection and the need for standardized procedures to ensure consistency and reliability of the information.

2. The second part of the document focuses on the role of the auditor in the financial reporting process. It describes the auditor's responsibilities and the standards that must be followed to ensure the objectivity and independence of the audit. The text highlights the importance of communication between the auditor and the management of the entity being audited, as well as the need for transparency in the reporting of audit findings. It also discusses the consequences of non-compliance with auditing standards and the potential impact on the credibility of the financial statements.

3. The third part of the document addresses the issue of financial statement fraud. It provides an overview of the different types of fraud that can occur, such as misstatement of assets, liabilities, and income. The text discusses the factors that contribute to the occurrence of fraud, including pressure to meet financial targets and weak internal controls. It also outlines the various techniques used by auditors to detect and prevent fraud, such as the use of analytical procedures and the implementation of risk-based audit approaches.

4. The fourth part of the document discusses the importance of internal controls in the financial reporting process. It describes the various components of an internal control system, including the control environment, risk assessment, and the design and implementation of controls. The text emphasizes the role of management in establishing and maintaining an effective internal control system and the need for ongoing monitoring and improvement. It also discusses the consequences of weak internal controls and the potential impact on the reliability of the financial statements.

5. The fifth part of the document focuses on the role of the board of directors in the financial reporting process. It describes the board's responsibilities for overseeing the financial reporting process and ensuring the integrity of the financial statements. The text highlights the importance of the board's independence and the need for the board to have sufficient expertise and resources to effectively oversee the financial reporting process. It also discusses the consequences of board failure and the potential impact on the credibility of the financial statements.

6. The sixth part of the document discusses the importance of transparency in the financial reporting process. It describes the various ways in which companies can improve their transparency, such as the use of clear and concise financial statements and the provision of additional information to investors. The text emphasizes the role of transparency in building trust and confidence in the financial reporting process and the need for companies to be open and honest in their reporting. It also discusses the consequences of lack of transparency and the potential impact on the credibility of the financial statements.
