

The 8 Superbeing Major Chakras

The Hybrid Student – Gunawan Yasni (Muslim Ghafarrah)

1st Chakra – Red – The Kundalini Chakra, at the base of your Spine keeps you grounded in the physical world. It creates the necessary balance and stillness to succeed in your ambitions and dreams

2nd Chakra – Orange – Just beneath your Navel, this Chakra governs the release of sexual and emotional energy. It enables you to be in balance with your emotions, thus diffusing any build-up of anger

3rd Chakra – Yellow – Located in your Solar Plexus, this Chakra is the seat of your emotions. Its fire and sun energy is what drives your personal power

4th Chakra – Green – The Heart Chakra, is of vital importance.

It circulates love, balance and compassion, and keeps your immune system strong and powerful

5th Chakra – Blue – The Throat Chakra, is tied to creativity and communication, expansion and excitement. You may even feel pressure in the throat when you're not able to properly communicate your emotions

6th Chakra – Indigo – The Third Eye Chakra, keeps your psychic and clairvoyant abilities flowing. It is the Pineal Gland, which is like a physical eye with the capabilities of looking upward

7th Chakra – Violet – The Crown Chakra, this connects you with the higher realms. It governs thought, spiritual connection, understanding, knowing and bliss

8th Chakra – White – The energy centre of divine love, of spiritual compassion and spiritual selflessness. The energy centre that holds your karmic residue
